

BEACON FURNITURE VISION STATEMENT

- To offer free furniture to those in urgent need in our community, the Borough of Havant, when the individual has been referred to us by local church ministers, Social Services, Council Housing Officer or similar and as stock allows
- To offer for sale good quality used furniture and selected electrical goods at a fair and reasonable price to people in the Borough of Havant, providing a practical route of recycling of furniture whilst allowing those on low incomes the ability to buy the furniture they need.
- To source said furniture and equipment from the donations from within the local community of the Borough of Havant
- To use any profit remaining after covering rent and running costs to support church-based projects within the Borough of Havant that help those in need in our local community – our first project to be supported is Beacon Debt Advice Centre
- To seek to expand our ability to help those in need in our community by developing the work along sustainable lines

OUR VALUES

- To show the love of God in a practical way by our work in the furniture shop, without preaching, whilst being ready, if asked, to give our reasons for why we have decided to give our time in this way
- Our attitudes and actions are based on the Christian values of respect and honour to all, regardless of religion, sex, race or other perceived distinction
- To encourage and develop practical links with other Christian churches in the Borough and with any organisation or individual who shares our values and vision
- Both the furniture we give away and the furniture we sell should be of good quality and in clean condition. We therefore reserve the right to reject any items offered that do not meet our standards and expectations
- We undertake to meet any applicable fire and safety regulations in force in the UK
